Executive Summary

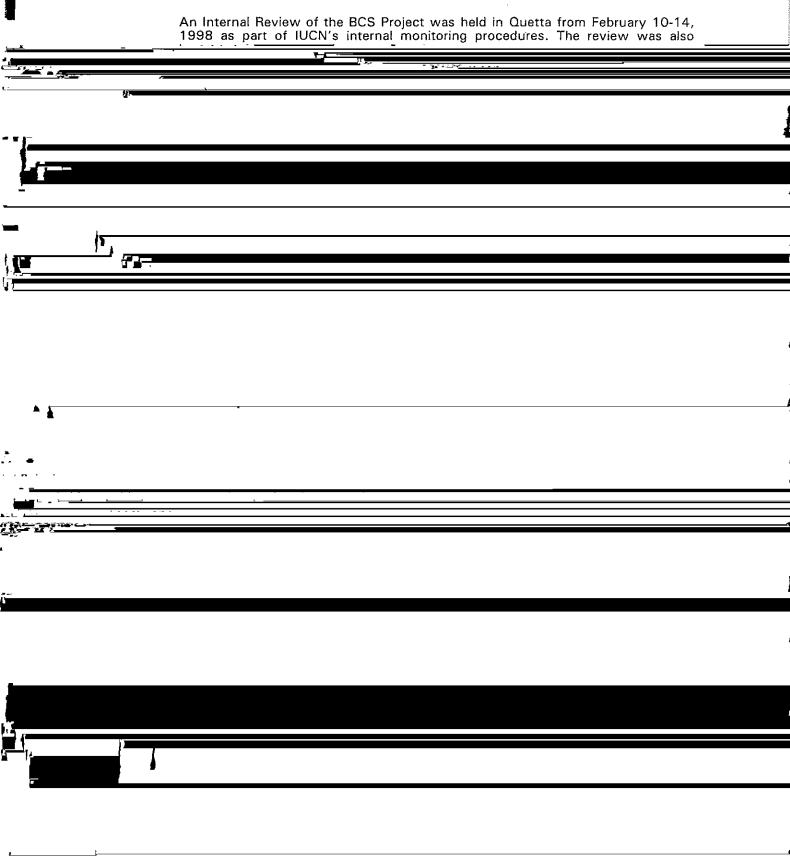

The BCS Project is an initiative of the Government of Balochistan, technically supported by IUCN, with financial assistance from the Royal Netherlands Embassy. The project draws from the Pakistan National Conservation Strategy

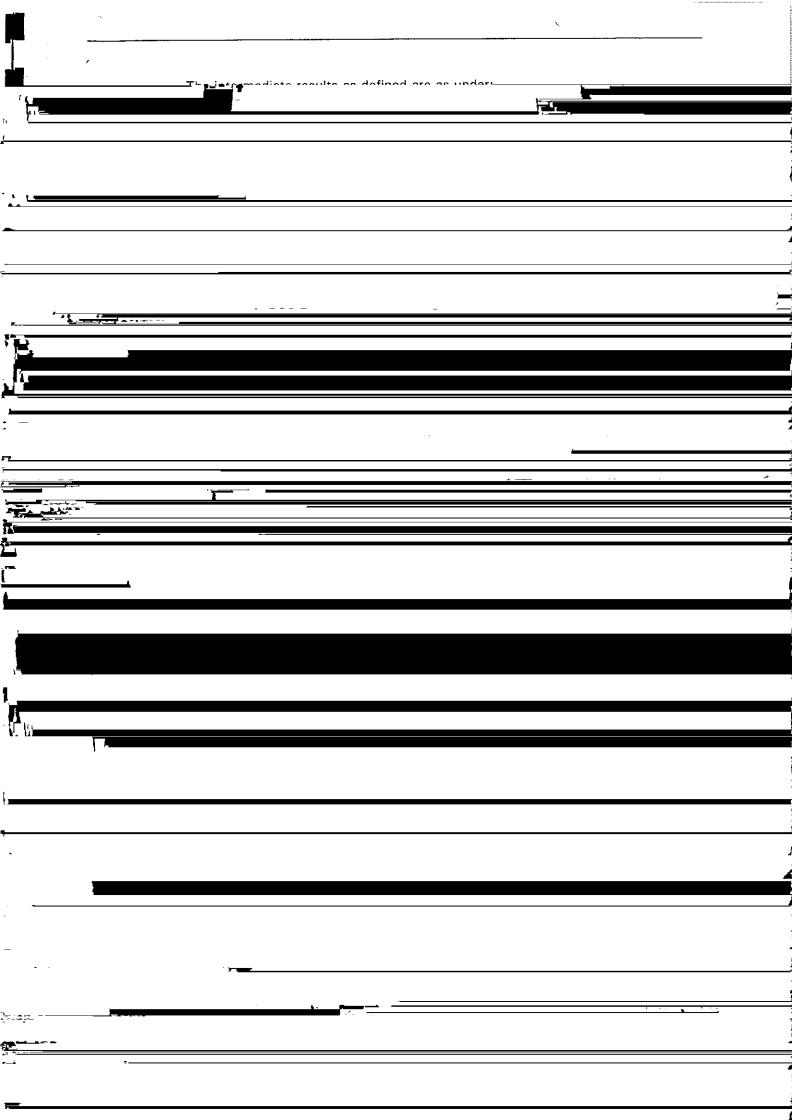

Report on the Internal Review BCS Project (Feb 10-14, 1998)

1. Introduction

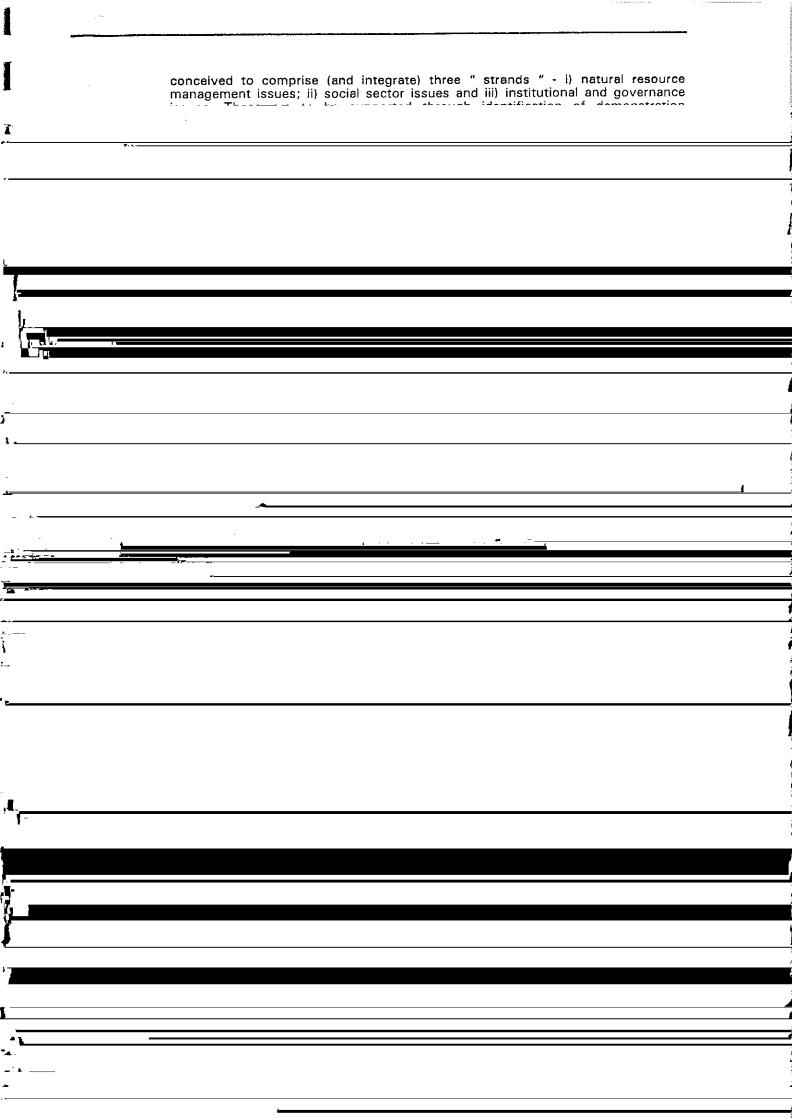

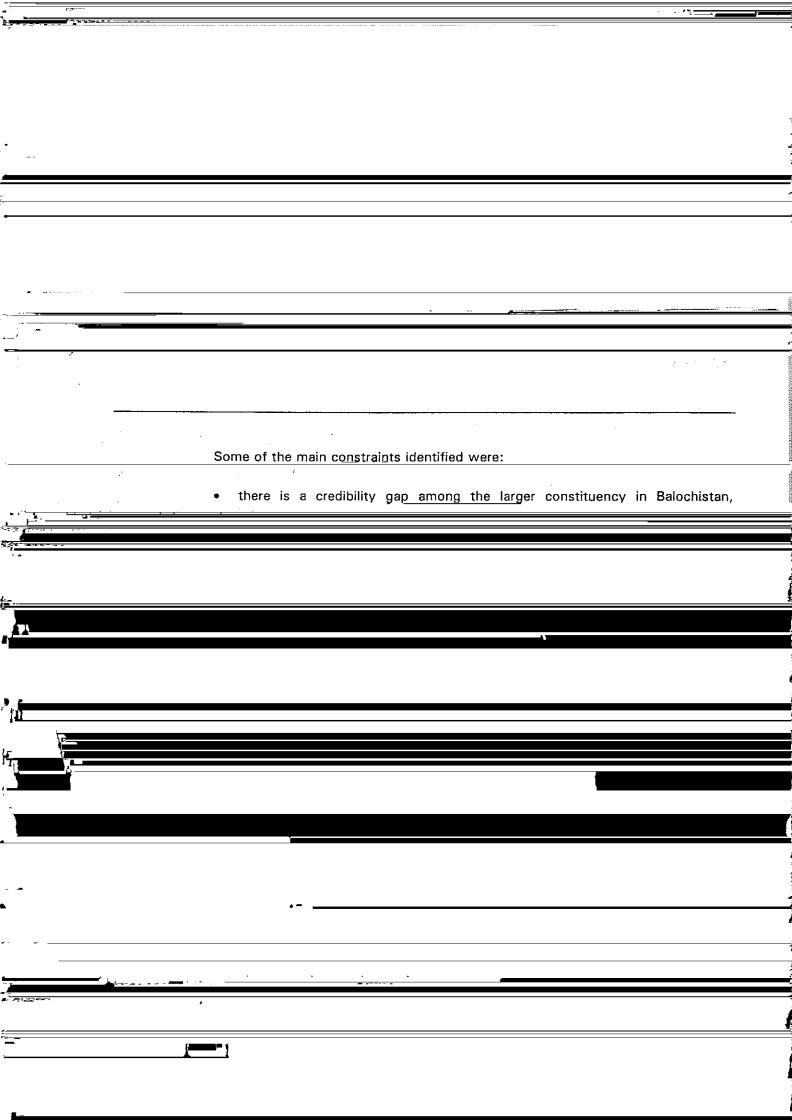

In 1993, the GoB approached IUCN for assistance in developing a BCS. A PC1

_	
	Views expressed in these meetings to the
	Views expressed in these meetings included:
•	that the BCS should not be another "top down", discrete project, isolated
