Sarhad Provincial Conservation Strategy

Objectives

After the submission of a draft Concept Paper to the North West Frontier Province Government in January 2002, the External Review took place in several stages:

1. An Inception Mission to Pakistan to validate the scope and approach of the Concept Paper (May 2003);
2. Document collection and review (May – October 2003);
3. A series of eight Focus Group discussions on key topics of SPCS in the two districts that had benefited from District Conservation Strategies (May – October 2003). The discussions were
