

Position Statement

on sustainable use of wild living resources

POSITION STATEMENT ON SUSTAINABLE USE OF WILD LIVING RESOURCES

ACHIEVING SUSTAINABILITY

and **NOTING** that most Component Programmes of IUCN work on sustainable use and that there is a need for the principles of sustainable use to be mainstreamed in all pertinent IUCN technical, regional, national, project, and Commission activities;

The World Conservation Congress at its 2nd Session in Amman, Jordan, 4-11 October 2000:

1. ADOPTS
