

order to capitalise on this opportunity to strengthen the resilience and sustainability of the EU economy through the restoration of nature.

Due to the importance of the proposed EU regulation for nature, the people and economy of the EU, and its prosperous and resilient future, IUCN asserts the urgent need for high ambition at this crucial juncture.

Yours sincerely,

A handwritten signature in blue ink, consisting of several fluid, connected strokes. The signature is positioned to the right of the text "Yours sincerely,".
