**PROGRAMME PRIORITIES**

**7. Culture, equity and heritage:** Study and increase understanding of the relationships between culture, biocultural heritage and equitable governance in conservation, sustainable development, and environmental and cultural policy. Provide technical advice on evolving norms, policies and the implementation of the World Heritage Convention and other protection efforts, as well as assessments of proposed natural heritage sites, mixed natural and cultural sites, or cultural landscapes with particular attention to the rights and livelihoods of indigenous peoples.

**8. Environment and peace:** Promote the prevention, management and resolution of social conflict as key for conservation through the establishment of inclusive multi-stakeholder platforms aimed at addressing social conflicts around conservation, resource use, environmental change and development activities that impact environments and ecosystems. Share and contribute knowledge that increases understanding on environmental policies and action that reduce conflict and improve security
