## COMMUNICATE

### Communication

T-009 Organise annual SSG events linked to major international conferences to communicate activities and progress to members and other interested individuals or organisations n e.g. American Elasmobranch Society yearly meeting, European Elasmobranch Association, Sharks International 2022.  
(KSR 13)

Number of SSC members' presentations developed in relation to specific taxonomic groups: 17

Result description: The IUCN SSG members continued to engage at the regional level through online meetings that Regional Vice-Chairs are organising quarterly for each of the nine SSG regions. Progress and outcomes of the SSG-led Important Shark and Ray Areas (ISRA) project were disseminated at 17 conference or meeting presentations around the world.
