5.6 Project sustainability

The current grant aims to offer catalytic funding to establish a regional network of locally relevant projects, with a fixed end date of 1 June 2026. However, we encourage applicants to consider the sustainability of their projects beyond the funding period. Therefore, please indicate: (a) whether you intend to continue the project beyond the WIOCOR funding deadline of 1 June 2026, and (b) if so, how
