- 7.2. In order to participate in this procurement, you must meet the following conditions:
- Free of conflicts of interest
 - Registered on the relevant professional or trade register of the country in which you are established (or resident, if self-employed)
 - In full compliance with your obligations relating to payment of social security contributions and of all applicable taxes
 - Not been convicted of failing to comply with environmental regulatory requirements or other legal requirements relating to sustainability and environmental protection
 - Not bankrupt or being wound up
 - Never been guilty of an offence concerning your professional conduct
 - Not involved in fraud, corruption, a criminal organisation, money laundering, terrorism, or any other illegal activity.
- 7.3. You must complete and sign the Declaration of Undertaking (see Attachment 2).
- 7.4. If you are participating in this procurement as a member of a joint venture, or are using sub-contractors, submit a separate Declaration of Undertaking for each member of the joint venture and sub-contractor, and be clear in your Proposal which parts of the goods/services are provided by each partner or sub-contractor.
- 7.5. Each bidder shall submit only one Proposal, either individually or as a partner in a joint venture. In case of joint venture, one company shall not be allowed to participate in two different joint ventures in the same procurement nor shall a company be allowed to submit a Proposal both on its behalf and as part of a joint venture for the same procurement. A bidder who submits or participates in more than one Proposal (other than as a subcontractor or in cases of alternatives that have been permitted or requested) shall cause all the Proposals with the bidder's participation to be disqualified.
- 7.6. By taking part in this procurement, you accept the conditions set out in this RfP, including the following:
- It is unacceptable to give or offer any gift or consideration to an employee or other representative of IUCN as a reward or inducement in relation to the awarding of a contract. Such action will give IUCN the right to exclude you from this and any future procurements, and to terminate any contract that may have been signed with you.
 - Any attempt to obtain information from an employee or other representative of IUCN concerning another bidder will result in disqualification.
 - Any price fixing or collusion with other bidders in relation to this procurement shall give IUCN the right to exclude you and any other involved bidder(s) from this and any future procurements and may constitute a criminal offence.
8. CONFIDENTIALITY AND DATA PROTECTION
- 8.1. IUCN follows the European Union's General Data Protection Regulation (GDPR). The information you submit to IUCN as part of this procurement will be treated as confidential and shared only as required to evaluate your Proposal in line with the procedure explained in this RfP, and for the maintenance of a clear audit trail. For audit purposes, IUCN is required to retain your Proposal in its entirety for 10 years after the end of the resulting contract and make this available to internal and external auditors and donors as and when requested.
- 8.2. In the Declaration of Undertaking (Attachment 2) you need to give IUCN express permission to use the information you submit in this way, including personal data that forms part of your Proposal. Where you include personal data of your employees (e.g. CVs) in your Proposal, you need to have written permission from those individuals to share this information with IUCN, and for IUCN to use this information as indicated in 8.1. Without these permissions, IUCN will not be able to consider your Proposal.

The Government of Ethiopia has adopted the Kunming-Montreal Global Biodiversity Framework (KMGBF) and now needs to implement it, in particular the targets related to mainstreaming biodiversity into sectoral public policies and private economic sectors (Targets 10, 14, 15, 16, 18).

This analysis aims to identify sectoral public policies and their current impact on biodiversity and identify opportunities for enhancing biodiversity-friendly measures.

The analysis work enhances the outcomes and recommendations provided by ALTAI Consulting,
