Putting into practice an ecosystem approach to managing sea cucumber fisheries FAO. 2010. Putting into practice an ecosystem approach to managing sea cucumber fisheries. Rome, FAO. 2010. 81 pp. This document is an abridged version of the FAO Fisheries and Aquaculture Technical Paper No. 520, entitled "Managing sea cucumber fisheries with an ecosystem approach". It is intended to provide a more concise and less technical outline of processes and principles to implement an ecosystem approach in the management of sea cucumber fisheries.
