

THE SECOND “ACTION FOR A GREEN HA LONG” PROGRAMME Ha Long Bay, October 24th, 2016

“*Join the fight for a healthy ocean*” is a strong commitment of 110 volunteers attending the first “Action for a Green Ha Long” hosted by IUCN and the Au Co Cruise on June 14th, 2016. As w

Programme Organisers

The programme is brought to you by the International Union for Conservation of Nature (IUCN) in collaboration with its partners including Bhaya Cruise, Coca Cola and Gray Line Cruise as part of the Ha Long – Cat Ba Alliance Initiative, funded by the United States Agency for International Development (USAID)

The programme organisers will make arrangements for and cover the following items:

- Round-trip transportation from Ha Noi to Ha Long Bay on October 24, 2016
- Training and documents on reporting trash components on October 24, 2016
- Boats transporting volunteers to and from trash-collecting sites
- Lunch and dinner on board on October 24, 2016
- Gloves and equipment for trash collection
- Collecting and treating trash after the programme
- Uniforms and certificate for volunteers

IUCN is calling for more support from businesses operating in and around Ha Long Bay to organize at least one clean-up day every three months. We appreciate if volunteers can help us fulfil this mission!

For more information on IUCN, please visit: www.iucn.org/vietnam

For more information on the Ha Long – Cat Ba Alliance, please visit:
