Africa Water Week – Side Event

MANAGING WATER ACROSS BOUNDARIES

Tuesday, 10th November, 2009 from 18:00- 19:30

IUCN cordially invites you to a side event on “[Managing Water Across Boundaries](#)” which will facilitate a panel discussion on the realities of benefit sharing across transboundary waters. The event will introduce the IUCN guide – SHARE: Managing water across boundaries which provides guidance on managing transboundary water resources cooperatively.
